Foundation for a World in Transition Receives 2019 Best of Washington Award

Washington Award Program Honors the Achievement

WASHINGTON October 21, 2019 -- Foundation for a World in Transition has been selected for the 2019 Best of Washington Award in the Non-Profit Organization category by the Washington Award Program.

Each year, the Washington Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Washington area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 Washington Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Washington Award Program and data provided by third parties.
